---

Alif Syibli, who followed the International Youth Program (IYP) at Japan, got an achievement as the best presenter during discussion section with Prof. Dr. Hisanori Kato, Ph.D. The theme was about technological developmental culture. Incorporated with the students from UMM & ITS, Alif proposed his ideas about preserving vernacular language through application. At this moment, Alif also visited Waseda University and Indonesian Embassy (KBRI) at Tokyo, Japan.
